

TEEA 49TH ANNUAL CONFERENCE

Dear Friend,

The Tennessee Environmental Education Association (TEEA) is a non-profit organization that teaches students “how to think, not what to think.” Since 1978, we have connected resource professionals and educators to provide students with exciting hands-on learning experiences. As we plan for our 2025 annual Conference, we hope you will support our mission of promoting excellence in environmental education. TEEA provides support, resources, and networking opportunities to Tennessee's community of educators.

Our annual Conference is an amazing three-day event featuring educator workshops, presentations, environmental research, field-based learning experiences, and networking opportunities for partners and educators in Tennessee. This conference empowers our educators to take new lessons back to the classroom and to share success and advances in the Environmental Education field. The efforts of TEEA and our partners are highlighted to encourage attendees to discuss the importance of the TEEA network.

Here is where you can make a difference! Attached, you will find different levels of sponsorship. Your support will ensure that our work can continue. Environmental Education and outdoor learning are vital to student and teacher development; let's work together to keep them in our learning spaces!

Thank you for considering supporting TEEA, and we look forward to partnering with you for the 2025 Conference.

Sincerely,

TEEA Board of Directors

“If we want children to flourish and become truly empowered, let us allow them to love the earth before we ask them to save it.” — David Sobel

SPONSORSHIP MENU
